

OC Serves Orange County Government Volunteer Spotlight

Mike Bonner – Firefighter Reserve Program

After retiring from Orange County Fire Rescue with 25 years of dedicated service, fire Lt. Mike Bonner continues to have a tremendous impact. His leadership and dedication to Orange County's Firefighter Reserve Program has helped many people achieve their dreams of becoming career firefighters within our organization.

For the past five years, Mike has dedicated more than 600 hours mentoring and training our Reserve Firefighters. He volunteers not only his time, but also his many years of knowledge and experience so our Reserve Firefighters can become successful in reaching their goals.

There is truly no way to fully thank him for all of the time he has dedicated to our program. The proof is shown in the employees today who trained with him and have become successful firefighters. Mike's passion for the mission to train our Orange County Reserves is always visible and truly makes a difference in the lives of many people.

Michael Bonner is heavily involved in the Orange County Fire Rescue Department Reserve Program.
